

#name (burak.bilgili)
Frontend Developer

// contact@burakbilgili.co.uk
// +90 539 365 55 19
// Istanbul, Turkey

About Me {

As a former student at Istanbul University-Cerrahpasa, I took a bold leap, leaving my studies in pursuit of happiness and productivity. In 2022, I ventured into web development, mastering HTML, CSS and Javascript. Along the way, I delved into version control, restful APIs, libraries and testing. Currently immersed in learning React.js and crafting innovative web front ends in Javascript.
